

America's premier surcharge-free and deposit ATM solution

Built on a network of more than 55,000 ATMs located in premier retail settings, Allpoint solves your cash distribution and deposit acceptance needs without using a dime of capital. Whether you're in growth mode, downsizing a market, or competing heavily in another, Allpoint is the fast acting, convenient network to meet your challenges.

Our worldwide network means your cardholders can quickly and easily get surcharge-free cash across the globe. From Alaska to Australia, finding an Allpoint ATM is fast, easy, and convenient.

Allpoint ATMs are located in premier retail locations where your cardholders already shop, work, and play.

No Capital Required

You don't need to deploy your own ATMs

Convenient Neutral Sites

Your customers do not visit competitors' branches

Quick & Easy Implementation

Up and running in 60 days or less and no new cards required

Control Costs

Escape the trap of rising surcharge reimbursement costs

Maintain Revenue

Keep the fee revenue from the ATMs you own and operate

Easy to Communicate

Simple for cardholders to understand through free, and customizable content

Cash Deposits

Best-in-Class Convenience

Allpoint+ ATMs are deposit enabled ATMs in the Allpoint Network that provide unprecedented cash-in access without the cost burden of deploying cash deposit locations of your own. Allpoint+ ATMs make it easy for customers to deposit cash at their own convenience.

Efficient Distribution

Instant scale without the cost of deploying your own ATMs

Top-Tier Locations

Located where your customers shop, not your competitors

Convenience Redefined

Offer convenient full-service ATM banking at thousands of safe locations

Featured Retail Partners

Walgreens

Take your Allpoint Membership Further

Lead your cardholders to branch locations, surcharge-free and deposit-accepting ATMs directly from your website or mobile app. Used by hundreds of financial institutions, LocatorSearch connects your digital presence with your physical locations to provide a best-in-class experience for your cardholders.

Customers and members can search by street address, zip code or current position and quickly find your most convenient service locations. Making it easy for cardholders to find your sites helps keep them engaged with your institution.
